

Bicycle Release Form

Terms of Loan Let's keep this simple... & agree on the following:

The agreed deposit is made and kept as a retainer against the value of the bike and released upon the safe return of the borrowed bike. beCyCle reserves the right to deduct money from the deposit if and when any excessive damage occurs to the bike beyond general wear and tear. The bike when in loan is the sole responsibility of its temporary keeper (i.e. you) thus you are entrusted with the responsibility of ownership maintenance and upkeep and to keep in contact with the beCyCle Project. It is completely at your own risk that the bike is maintained and used correctly to ensure personal safety.
